

Good morning Andreas

We really do appreciate everything that Awen has done for us. You guys are trueing amazing.

During the pandemic, we operated as a crisis point for individuals with learning disabilities. Awen was instrumental in assisting us with events at a time when everything was closed. The commitment of their staff, especially Nicola Edwards, to do whatever she could to bring the arts back to our individuals. We partnered and adhered to all the strict guidelines governed by WAG at the time and were able to bring performances and an out door cinema to the Resource Centre more than once.

We would support ACW investment in Awen, as they have proven that even during unprecedented times they are still able and willing to go above and beyond to bring the Arts to their audience.

Thank you again.

Kind regards

Sharon
