

Letter of Support: Awen Cultural Trust

Good morning, Jamie,

I hope I find you well.

I just wanted to thank you & Awen Cultural Trust for Awens co-operation in providing at least a second venue in our commitment to take 'Bitcoin Boi' around Venues in South Wales.

Support from venues like yourselves will continue to be crucial in the generation of new and exciting work and productions like 'Bitcoin Boi' will thrive because of these relationships.

Your willingness to support the work and be open to dialogue as we progress our offering in terms of community & production workshops is fantastic and we thank you for that.

Kind Regards,

Jamie Anderson
