To whom it may concern,

We are writing this letter in support of Awen's request for funding from The Arts Council of Wales.

As an organisation and registered charity, Splice Child and Family Project Ltd, the children and their families who we support have had the great opportunity and privilege to work with Awen during 2022.

In conjunction with Awen and their amazing team we have been able to write our very own book "Shirley the Sheep", a book all about acceptance and diversity.

Having this opportunity has allowed families from different communities and cultures to come together and work as a cohesive team. None of this would have been achieved without Awen's input and support.

If extra funding were to be secured, Awen would be given the opportunity to reach many more communities throughout the Borough of Bridgend, a definite asset to all who would be involved.

We would like to wish Awen every success with their bid for funding.

Yours sincerely
